NOT JUST A PIPE DREAM: NEWCASTLE CATHEDRAL ORGAN APPEAL

The Cathedral's organ plays a fundamental role in worship and the wider life of the Cathedral, from services, regular recitals and our school singing programme to community celebrations and commemorations.

Last rebuilt in 1981, the organ desperately needs restoration as ever-increasing faults affect its reliability, and only the talent and skill of our team keeping the music playing. We have a time-limited opportunity to deliver urgent repairs in the next twelve months, with over half of the c£500k required already secured - but we need your help to make our dream a reality and secure the organ's future. You can give via tinyurl.com/cathedralorganappeal, or the QR code below. For larger gifts or to find out more, please contact ashley.bell@newcastlecathedral.org.uk
